EMSI job posting numbers

Chart 1: District overview of total jobs in July 2021 when compared with July 2020 and July 2019

EMSI job posting numbers

- Chart 2 below shows total jobs by district from January 2019 to July 2021, with most districts displaying a similar trend over the past few months.
- However, Tewkesbury job posting numbers have dropped back slightly again for the for the second consecutive month.

EMSI job posting numbers

Please note – job posting numbers are based on snapshot data taken on the 24th August numbers are provisional and subject to change. The information is continually being cleaned and validated, but job posting numbers provide a good indication on how the job market is performing.

EMSI delivers real time access to job vacancies from a comprehensive range of sources including job boards, employer sites, newspapers, public agencies etc. Data extraction and analysis technologies mine and code data from each job listing to provide analysis on industries, occupations, skills and qualifications. However, the tool will inevitably not capture all vacancies.
